

Artcoaching Berweger

focuses on Giftedness and Talent enhancing in Visual Arts.

As an art teacher and an expert in Gifted Education (MAS integrative Begabten- und Begabungsförderung FHNW) I am pleased to provide the following services for children, teenagers and adults:

- **Career- counseling in Art and Design:** career orientation in an artistic or creative profession, portfolio creation, test preparation, educational orientation in the Swiss Art Education environment.
- **Evaluation at Artwork and Art skills.**
- Gifted Education and Mentoring for your child's progress.
- **Talent Coaching** in art and design. An encouraging one to one environment will stimulate your talents and creativity
- **Self-Exploration** through Art enables a casual and playful approach to art and unleashes your creative self. Within this very dynamic process the focus is on your interests and needs. You will be carried away by your artistic process.
- A wide variety of **Experimental and Classic Design Techniques** sessions could be arranged on request.

For enquiries and appointments please contact me.
